## Hong Kong Sandplay Therapy Association

### Workshop Information

“When you met someone out of the marriage/stable relationship and you felt the connection instantly. It was not a sexual attraction at first but you felt an intense pull towards that person. You would experience a constant desire to be with that person and you won't find peace unless you indulge in that person in some way.” If you have the above experience, your soul basically has unfinished business and the affair just to fulfill that part of emptiness. Affairs will not only end up with hurt or betrayal but also lessons of growth and discovery.

In Nov workshops, Ms. Carol Chow will share a male case who cannot commit in marital relationship even dating for 10 years and keeps on looking for an ideal lover. During workshops, Ms Chow will elaborate how Sandplay therapy can help him to go through his inner struggles, and finally gains his inner strength to maintain a stable and intimate relationship.

**Trainer:** CHOW Suk-ye, Carol is a Certified Sandplay Therapist of the International Society of Sandplay Therapy (ISST) since 2014. She served as a Committee Member in Hong Kong Sandplay Association (HKSTA) from 2010 to 2014. Ms Chow started her private practice as a psychotherapist in 2007 and also gained a Certified Somatic Experiencing Practitioner in 2018. She believes that the major task of psychotherapy is to enhance the awareness of clients towards their disturbance and facilitate them to make changes for their own benefit.
